WHY SHOULD YOU **ATTEND CONNECT?**

“

[Connect] is a **great opportunity to engage your team** - both pharmacists and technicians - in **diving into workflow processes and networking** with other pharmacy teams.

...

It needs to be on your **‘must-attend meetings’** list!

...

This one is a non-negotiable for me! We can't keep growing our businesses if we don't learn how to maximize our technology.

...

100% chance you'll **leave with something new** to implement at your pharmacy.

...

There's so much knowledge at [Connect] if you own one store or twelve! You will leave with something to take back and make you better!

...

The pharmacy world is big yet small in so many ways. **Connecting with each other is key** for learning new and better ways to streamline your pharmacy practice. **I love hearing everyone willingly share** their experiences and learning curves.
