WHY SHOULD YOU ATTEND CONNECT

“

Connect 2025 is the best conference I have ever attended. The energy, collaboration, and innovations at Connect 2025 are so motivating, I love it.

- Vimal Patel, Pharmacy Manager, Gaston Pharmacy

For long term care professionals, Connect is a very valuable conference because we're so busy with our pharmacies that we don't always know all of the things that are coming. And you realize when you're here, you're not alone. You have a network of pharmacies who are using the same software you're using, and you can communicate with each other and get great ideas on how to enhance your workflow.

- Rob Potter, Director, Pharmacy Finance at MVH Pharmacies

My favorite thing [at Connect 2025] has really been hearing from the highest level of leadership. And again, learning why RedSail exists: to create that clinically relevant and financially sustainable platform for us as providers and pharmacies to use and seeing how they're really at the leading edge of that in every aspect of their business. You know, both from a global high level perspective down to specific tools that we can use to be more, relevant in the pharmacy arena.

- Logan Styke, Certified Pharmacy Technician, Moose Pharmacy
