Why Should You Attend Connect

“

This is the third time I've been to Connect, and I think it's very beneficial for us as a team. We take [what we learned] back and then have a meeting and say, this is what we came up with, this is what we can start doing in our stores.

[Connect is] actionable.

**Paula Smulik, Pharmacist,
Kligensmiths Drug Stores**

“

*I would definitely encourage people to attend Connect. We've been able to make some **great connections** with vendors and RedSail partners to grow our business and help support each other.*

Megan Bickley, Operations Manager, Williams Brothers HealthCare Pharmacy

“

*I would say do [go to Connect]. It's probably going to be in a fun city. And there's plenty of things to do at the conference. Outside of the conference, you get to **meet people and see all the great stuff** that's going on.*

Matt Perry, Director of Pharmacy Services, AbsoluteCare Medical Centers and Pharmacy
