

# DESIGNED TO HELP PHARMACIES MANAGE CASH TRANSACTIONS

## What is RxCash+?

RxCash+, a RedSail Advantage Solution, provides your pharmacy with data-driven cash pricing utilizing AI and tailored pricing algorithms.

### Customized Pricing

Access tailored pricing algorithms driven by customer-specific and market data

### Transparency Across Locations

Gain pricing visibility and better control across stores

### Revenue Uplift Potential

Set cash prices based on your pharmacy's location and/or NPI

### Rebate and Copay Opportunities

Receive 100% of available rebates returned to your pharmacy

## How RxCash+ Supports You

- ✓ Achieve complete pricing transparency with intuitive dashboards that deliver ROI insights, multi-location reporting, and cross-site price comparisons.
- ✓ Gain access to a dedicated clinical pharmacist who provides personalized staff training, continuous program support, and expert guidance every step of the way.
- ✓ Save valuable time by minimizing the effort pharmacists spend managing complex pricing tables.

### RxCash+ Success Story

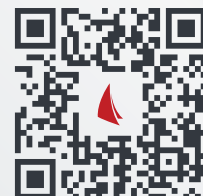

**+\$2-4K**  
per month revenue claims

*"This program has been a game changer. We are capturing more revenue from these cash transactions and regaining more time for our staff throughout the day."*
