

Copay Assistance

Savings on Amneal Epinephrine Auto-Injectors

As a member of the RedSail network, you have access to a special solution for affordable epinephrine auto-injectors. By purchasing from wholesaler R&S Northeast and submitting claims using the manufacturer coupon designed solely for use by RedSail network pharmacies, you receive the advantage of lower costs and increased revenue – and your patients save, too.

Special RedSail-negotiated pricing – plus supply through R&S Northeast

RedSail-negotiated patient savings up to \$30 (compared to standard programs at \$10)

Two-week reimbursement vs. industry average of 2-3 months

Marketing resources to promote copay assistance to patients and providers

Free shipping (minimum two 2-packs of injectors); each order incurs \$6.95 fuel surcharge

Clear visibility to claims analytics
