Transforming Pharmacy Websites

A website that showcases your pharmacy is key to a modern, patient-centric pharmacy experience. You can now achieve this dynamic online presence easily with RedSail Websites. This integrated website service will elevate your community ties, boost revenue, and improve operational excellence.

Key Features

Easy to Build

Build your own beautiful, custom website with drag-and-drop functionality. No coding or web experience is needed. You will also get dedicated support from web design pros.

Pre-Populated Industry Content

Feature health articles, product images and descriptions, and high-quality advertising content from an extensive product library.

Appointment Scheduling

Provide digital health advice and product recommendations to your patients from your website with appointment scheduling and calendar management.

Coming soon!

Online Store

Simplify online retail, manage inventory, track orders, and handle pick up, shipping, and other online operations effortlessly — all in one location.

Pharmacy Software POS Integration

Seamlessly manage pricing and inventory with future PioneerRx integration. Manage your data with effortless product uploads and updates.

Benefits

- **Own your brand online:** Customize your website with your pharmacy's colors, logo, local info, and domain name for a distinctive online presence.
- **Boost online visibility:** Promote your pharmacy's story and engage customers with pre-loaded, high-quality content on an SEO-optimized website.
- **Grow your business:** Collaborate with industry partners to boost your website's profile with digital catalogs, promotions, and marketing.
- **Build community engagement:** Elevate patient engagement with digital health advice, product recommendations, and convenient online bookings.
- **Receive dedicated customer support:** The RedSail Websites support team is available to address any questions or concerns you may have during your integration process.

How It Works

- Scan the QR code to complete the form online.
- Speak with our sales rep about the product and your specific needs.
- Create your pharmacy website with a dedicated Storbie web designer.
- Enjoy continued assistance and support post-launch.
- *Fees added to your monthly invoice.*
