

# Simplify the Complexities of Track and Trace

## InfiniTrak keeps your pharmacy DSCSA compliant

RedSail understands how important it is to provide our pharmacies with a dedicated expert in DSCSA law, technology, and best practices.

**InfiniTrak is our vetted partner, offering a comprehensive solution** that takes the burden of being compliant off your shoulders, so you can focus on patients and business.

## Pharmacy Benefits

### Available to all RedSail pharmacy customers

Providing end-to-end compliance with complete DSCSA requirements. Integration available to all PioneerRx and Axyx customers.

### Product data protected and always accessible

Data never shared with outside entities without pharmacy approval.

### Verification Routing Services (VRS)

All products received automatically are verified for authenticity.

### Suspect Product Wizard

To investigate and document suspect products with easy-to-follow steps for managing.

### Free continuing education (CE) for enrollees

For all registered pharmacists and techs who sign up for InfiniTrak: *On the Right Track (and Trace): Pharmacy Compliance with the DSCSA*.

### No hidden fees

Dispenser-focused to serve pharmacy's interest and avoid conflicts with wholesalers/suppliers.
