LSPedia Keeps Your Pharmacy DSCSA Compliant

Achieve full DSCSA compliance for dispensers with LSPedia

The FDA's Drug Supply Chain Security Act (DSCSA) requires all dispensers to be fully compliant. LSPedia's OneScan Pharmacy Pro has you covered with a seamless, cloud-based solution that streamlines Track and Trace requirements with little impact on your pharmacy's daily processes.

Pharmacy Pro Benefits

Get supplier data – Receive ASN/EPCIS data for every product.

Track partners – Quickly verify and manage your trading partners' licenses.

Auto-detect errors – Automated EPCIS error identification and resolution.

Manage Rx lifecycle – Track expiration dates and recalled products.

Enjoy flexibility – Receive and scan inventory for ease and full compliance best practice.

Use any device – Access anywhere on desktop, tablet, or smartphone.
